Tate Supply provides a variety of business supplies, cleaning supplies, office supplies, office furniture, school supplies and other office products needed to efficiently run your business.

At Tate Supply, we believe that keeping your office or facility well-stocked should not be difficult, time-consuming, and expensive. With Tate Supply, you can find all of your business supplies in one place at some of the most competitive prices around.

Core Capabilities

SCHOOL SUPPLIES

Tate Supply offers the broadest assortment of school products in the market, with over 17,000 SKUs sourced from over 250 suppliers, ensuring that our partners can deliver upon an “endless aisle” experience without the added inventory costs. Tate Supply provides a personal customer service experience with the customer in mind.

FACILITY SUPPLIES

Tate Supply offers breakroom, healthcare, and cleaning supplies necessary to maintain your office. We supply everything from hand soap, Windex, Kleenex, medical exam room and diagnostic equipment to toilet paper, paper towels, trash bags, coffee, eating utensils and snacks. Browse our catalog for all your breakroom and cleaning supply needs.

OFFICE SUPPLIES

At Tate Supply, you will find over 50,000 name brand products in stock for fast delivery from a network of 30 distribution centers across the USA. Our nationwide distribution network covers more than 5.5 million square feet in distribution space.
